N.B.—(*a*) The articles of furniture should be manufactured out of the best, well seasoned Mysore Teakwood.

(*b*) The articles of furniture should be well polished and varnished.

You should bind yourself by the conditions of contract enclosed.

The whole order will have to be completely executed within six weeks from the date the order is entrusted.

The sketches of the articles can be seen in the office during office hours on any working day.

The tender should be superscribed "Tender for furniture required for the Chamarajendra Water Works" and should reach this office on 1st July 1933.

CONDITIONS OF CONTRACT FOR THE SUPPLY OF ARTICLES OF FURNITURE.

(1) The articles will be required to be manufactured according to our specifications out of well seasoned Mysore Teakwood or Rosewood as the case may be free from all defects, such as, knots, bends, white and sap wood, etc. All the articles are required to be well polished and varnished.

(2) The articles will be subject to inspection by an Officer to be deputed for the purpose both during manufacture and after completion and such of the articles as may be found defective during such inspection either due to bad workmanship or due to use of bad materials, will be rejected and you will be required to replace them by sound ones according to specification.

(3) The soundness of all the articles should be guaranteed for one year during which period the defects that may be noticed by the Department will have to be rectified by you at your cost.

(4) You should be prepared to execute an agreement undertaking to abide by the conditions of our tender and also to deposit as security a sum not less than five per cent of the value of the order.

(5) Withdrawal from the quotation after it is accepted or failure to make supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of three per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of Approved Firms.

No. S. P. C. 22456-500, *dated* 15*th June* 1933.

To

The firms dealing in

Centrifugal Pumps and Oil Engines.

Gentlemen,

Enquiry No. 400.

Pumping set required for Water supply to Hassan Town.

Please be good enough to intimate your best price for one pumping set described below delivered f.o.r., Hassan, specifying the earliest time within which you can supply the equipment:—

Item (1)—One—13 Horse power—Hopper Cooled type or thermo syphon cooling arrangement, Crude Oil Engine. The engine may be either full Diesel or Semi Diesel.

N.B.—Particulars as to R. P.M., fuel consumption and the special advantages and improvements, etc., of the engine offered should be furnished.

Item (2)—One Centrifugal pump capable of delivering 3000 gallons of water per hour against a head of 80—100 feet from all causes.

N.B.—Particulars as to the name of the manufacturer and the efficiency of the pump offered at full, three-quarter and half load should be specified.

You should guarantee that the engine and the pumps offered would be of the efficiencies specified in the quotation.

The quotations should reach the undersigned not later than the 26th June 1933.

Only quotations for delivery of the equipment immediately from stocks will be considered.

Yours faithfully,

M. S. RAMCHENDRA RAO.
Secretary,
Stores Purchase Committee.
